

# New York's Digital Equity Taskforce

Health Town Hall  
July 13th, 3-5pm ET

## Join the conversation!

Your contributions will inform the State's Digital Equity Plan as it relates to health and digital equity in New York.

### Discussion topics will include:

- Telehealth
- Social Connection through Digital Equity
- Health for Rural New Yorkers
- Digital Health Literacy

**We need your ideas for achieving digital equity and improving health outcomes across New York!**

## Who should attend?

- Health practitioners
- Healthcare system payers
- People with chronic health conditions
- People with behavioral health challenges
- Representatives from community health organizations and clinics
- Representatives from Health Homes

### This meeting will be held virtually.
